“Real Oz Software allows us to store everything all in one program. Everything from contracts, to inspections reports, to market appraisals and more. Its simple to use and it fully integrates so we only ever load anything once.”

Brett Graham, Principal, Ray White Maroochydore

“I am proud to offer Australia’s ONLY fully comprehensive real estate product. I have developed Real Oz over fifteen years in consultation with prominent offices and agents throughout Australia and New Zealand. I can personally guarantee our superior product, service and commitment to our clients.”

Giny Grass, Managing Director, Real Oz Software
